# BOW

## Materials needed:

- 2.5 mm crochet hook
- red cotton yarn

## PART 1. – Body of the bow

**R1:** Make 30 sc with foundation single crochet, then insert your hook in the first single crochet stitch and join the last single crochet stitch with a slst.

Continue working in a spiral. (30)

**R2-6:** 30sc (30)

Fasten off and weave in the yarn ends.

## PART 2.– Tails of the bow

**Ro1:** Make 5 sc with foundation single crochet. (5) + 1ch

**Ro2-40:** 5sc (5) + 1ch

Fasten off and weave in the yarn ends.

First, fold the tail of the bow in half lengthwise, then broadwise, and then sew it together with a couple of stitches in the middle (as the picture shows). Then place it in the middle of part 1 (inside), attach it to the back inside with a couple of stitches.

# BOW

## PART 3. – Assembly

Finish the bow by looping the yarn around the middle of the 1st part so that the 1-1 tails fall to the right and left of it. When you think the center is the right size, fasten off and leave a long yarn tail for sewing. Sew the bow onto the wreath and make the hanger.
